

CALL FOR POSTERS—

**62nd Annual Heart of America Eye Care Congress
February 10-11-12, 2023 at the Sheraton Hotel at Crown
Center, Kansas City, MO 64108**

INTRODUCTION

The Heart of America Eye Care Congress (HOAECC) is pleased to invite your participation in the Clinical and Scientific Poster Session at the 2023 HOAECC meeting. The poster session will be an interactive poster session on Friday, February 10, 2023 (6:00 PM—8:00 PM) where presenters will be present for Q and A.

CALL FOR POSTERS

Abstracts based on unique clinical cases and all aspects of optometric research are currently being accepted. All case reports and research must be complete at the time of submission. All abstracts must be submitted online by 30 November, 2022 (11:59 PM CT). The abstracts can be submitted online at <http://hoaecc.org/posters> beginning October 1, 2022.

POSTER SELECTION CRITERIA AND REQUIREMENTS

Authors will be notified by e-mail of the acceptance of their poster by mid-December. Only accepted posters will be displayed; no late or walk-in posters will be allowed. Acceptance will be based on the following criteria:

All abstracts must meet the following requirements:

- a) By 30 November, 2022 the complete abstract must be submitted online to <http://hoaecc.org/posters>
- b) A primary author may submit only **ONE** poster.
- c) The online abstract submission form must be filled out completely; otherwise, the entry will be disqualified.
- d) The abstract must be no more than 250 words (not including the

- keywords, title and authors). All abstracts will be limited by the online submission form to 250 words.
- e) The information conveyed must be of sufficient general interest to the optometric community.
 - f) The abstract must be clear, concise, and well-written in anticipation of publication.
 - g) The abstract must contain sufficient detail for evaluation.
 - h) Acceptable format for Research Posters:
 - a. Abstract Purpose
 - b. Abstract Methods
 - c. Abstract Results
 - d. Abstract Conclusions
 - i) Acceptable format for Clinical Case Posters:
 - a. Case History
 - b. Pertinent Findings
 - c. Differential Diagnosis
 - d. Diagnosis & Discussion
 - e. Treatment & Management

Scientific abstracts must meet the following additional requirements:

- The abstract must be based on original research.
- The abstract must describe a scientific investigation of the idea or product being studied.
- The abstract must demonstrate a clear and soundly tested hypothesis.
- The conclusions in the abstract must appear to be justified by the results presented.
- The abstract must contain evidence of a significant new result and the significance must be clear from the abstract.
- The abstract may contain preliminary results.

Clinical Case report abstracts must meet the following additional requirements:

- The case report must highlight timely or essential information, not just a review of information already in the literature.
- The case report must be unique-if two similar case reports are submitted, a choice may be made between the two to maximize diversity in the poster program.

- The case report must demonstrate complete follow through of patient care.
- The clinical significance of the case report must be clear from the abstract.
